343 HIGHLAND ROAD
TIVERTON, RI 02878

Meeting held March 3, 2008
At the Judson Street Town building

Members present: Cynthia Nebergall, Roger Winiarski, John McEwing,
Bob Dixon, and David Stewart,
Guests: Charlie Smith, Jim Porter

Meeting came to order at 19:35

There were no minutes from the February meeting due to lack of a
quorum.

Correspondence:
none

Old Business:

Jim Porter a resident of Riverside Drive presented a plan for a dock to be
built in front of his home. The Commission reviewed the specifications
and approved the project. The Commission will forward our
recommendation on to the Tiverton Town Council.

New Business:

It was report to the Commission that a workboat ran aground at the site
of the old railroad bridge. Bob Dixon report that the boat was towed to
the Providence Shipyard for evaluation and repair. John was to send a
letter to CRMC regarding the incident and suggest that it be looked into
and to also have the rock or other material that may have caused the
problem removed.

The Fogland Commission has requested that someone from the Harbor
Commission attend their meetings. It was agreed upon that one member
of our committee will volunteer to attend. We will select our member at
the meeting of the Harbor Commission the month prior to the Fogland
meeting. We will have to contact the Fogland Commission for a schedule
of their planned meetings.

The Harbor Commission agreed that they would meet several Saturdays during the next month, starting on the 29th of March to complete the Harbor Plan, which is overdue to CRMC.

It was report to the Commission that a major drainage problem on Evans Ave. has continued and appears to be getting worse. The water is coming from the over flow of Church Pond. It is felt that this is a danger and should be addressed.

Harbor Master's Report:

It had been brought to the Commissions attention that someone was advertising a mooring in Tiverton on Craig's List. It was agreed that this is not legal and the advertiser was advised to stop.

Phil has mailed out 3 batches of mooring applications during February.

The Harbor Master's phone, located at the Judson Street Town building cannot be moved to the Harbor Master's home as planned. According to the Town, it is illegal to have a Town phone and or property at a private home. As it stands now, the phone will remain at Judson Street.

John McEwing made the motion to adjourn the meeting, Mr. Dixon seconded, the meeting adjourned at 21:03
